

6th October 2023

Year 4 – Roman Day

Dear Parents/ Carers,

The children in Year 4 are currently studying what life was like during the Ancient Roman period. The children will have the opportunity to experience Roman style food as well the arts and crafts of that period in time.

In order to support their learning about Ancient Rome, we would like the children to come into school on **Wednesday 18th October** dressed like an Ancient Roman.

Please see examples below:

Girls:

Long dress
Toga

Boys:

Plain white t-shirt
Toga/tunic

We would encourage you and your child to be as creative as possible with the items you already have at home! Alternatively, you can send your child into school in their PE kit.

If you have any questions, please see your child's class teacher.

Thank you,
Year 4 Team
