Dear Parents/Carers,

On the 9th May 2024, an Educational Psychologist, Ben Hibberd, is coming to host a coffee morning on **‘Recognising Behaviour as Communication’**.

A little bit about behaviour as communication:

Everybody communicates through behaviour. An infant may cry when she is hungry or wet, just like an adult may yawn when he is bored at work. Adults and children are communicating something through their behaviour during every moment in every day, even if they are not aware of it.

This session will be useful to all parents/carers as it will explore ways to help open channels of communication with your child.

It would be great to see as many of you there as possible.

Details:

Date: 9th May 2025

Time: 9am-10am

Location: School Hall

These sessions are also a great opportunity for you to get to meet some other members of the school community and build some friendships.

Many thanks

Miss Cooper
