

Friday 16th December 2016

Dear parents & carers,

I am delighted to write to you confirming the end of key stage results for Enfield Heights from the last academic year. Each December, once all our results have been checked and validated by the Department for Education (DfE), we will write to you to ensure you are fully informed on how the school is doing.

As you know, the curriculum introduced in September 2014 really raised the bar and the new tests, administered last year for the first time, certainly reflected this. Despite the new level of challenge our children have risen to the occasion. On the reverse of this letter you will find a copy of our End of EYFS (Reception), Phonics Screening and End of Key Stage 1 results. Here you will be able to see just how well we did in all areas, comparing us to other schools in Enfield and the national average.

I could not be more proud of the hard work and achievements of our wonderful children at Enfield Heights. They have been fully committed to coming to school regularly and being an active learner and this is certainly reflected within our results.

I would also like to take this opportunity to once again thank all of the staff at Enfield Heights for the excellent education they provide day-after-day. They go the extra mile and are at the heart of the school's success.

Lastly, I would like to thank you all! I know that you have incredibly high expectations of your children and share our passion for them to be successful in whatever they chose to do. Without your support and dedication it would not be as easy to ensure we have all of our children achieving so well. We are proud to be rated as 'outstanding' by Ofsted and grateful for your positive contributions towards this accolade.

Best wishes,

Emma Breckenridge
Headteacher
