We regard this training as **essential** if you want to keep your child safe online and we **strongly advise** all parents and carers to attend. Thank you.

- Is your child **SAFE** online?
 - Do you know their internet **HABITS**?
 - Are you aware of all the latest Apps that they are using?
 - Do you know who is **contacting them** online?
 - Are you aware of all the types of **cyber bullying**?
 - Are you aware of the **dangers** of some social network sites and apps?
 - Can you confidently teach your child how to be safe online in a **constantly changing** and evolving virtual environment?
 - Do you know what your child can **access** from their **mobile phone**?
 - Are you familiar with snapchat, flickr, tumblr, whats app, minecraft, moshi monsters, moviestar planet, instagram, chat roulette to name but a few?
- Your child is **most likely** using more than one of these apps and websites. Do you really know who they are **talking to**?
