

Dear Parents/ Carers,

We have the opportunity to take our Year 5 students, across both sites, on an exciting trip during the Summer term.

Date of Trip: Thursday 18th July 2019

The day is being held at: Kidzania, Westfield London Shopping Centre, London W12 7GA

Cost of Trip: £20.00 per student

This cost covers entry and all transport for the day. This payment must be made via ParentPay by **Friday 17th May 2019**.

Kidzania is an indoor city, which is designed to give the children the opportunity to experience the real world, within a safe and engaging environment. They will be able to gain a fun and realistic insight into the wider, adult world taking on numerous different activities and roles during the day. Their work will allow them to earn kidZos (money), which they can then spend on leisure activities. It gives the children the chance to experience “real life”, and is connected to our learning within PSHE. Due to the location of this event, the students will be travelling **via coach and minibus** to, and from, the venue. They will be accompanied by members of staff from both Kingfisher Hall and Enfield Heights Academy.

What to bring

The children are expected to bring a packed lunch with them for this event. Please ensure that they have this with them on arrival at school in the morning. They must have enough water to last for the day, and their meals should not include; fizzy drinks, sweets or chewing gum as these are not allowed on site.

We ask that these students do not carry electrical devices with them, as they are not required for the trip. We can take no responsibility for the damage or loss of any valuables. This includes; mobile phones, cameras and personal music devices (iPods, MP3 players etc).

Everything should be carried in a disposable plastic bag, which can be thrown away at the venue, as staff will be unable to carry items for the students.

Timings of the day

Please bring your child to school on time as usual. We will be leaving for the venue at approximately 10:00am. The students will be returning to their individual schools for approximately 5:15pm, and we ask that you be at the school to collect them at this time. All children **must** be collected, and will not be allowed to walk home on this day.

If you have any queries regarding this event, we will be happy to offer any assistance that we can.

Yours sincerely,

Mr Shannon, Miss Garip and Miss Babbs
