

Home Learning

As per your 'Meet the Teacher' videos which have been uploaded to the school website, we would like to remind you that all homework will be set online via DB Primary or Mathletics. The children have been shown how to use it at school and should be able to navigate the system confidently. If this is not the case and you still need help accessing homework – please let us know so that we can support you with this. Homework should be completed by Wednesdays. Please continue to read with your child daily and sign their reading record – currently books are being changed weekly – please be aware of your child's day to change.

Parent Meetings

School will be closed on Friday 23rd October for parent meetings to take place. These will be in the form of either a zoom meeting or phone call. We will advise you closer to the time of how to make appointments etc.

Successful Reopening of EHA

Thank you all for working with us to ensure that we could have a good start to the academic year. The staggered times are now working well and the children are used to the routine: staying in their bubbles, staggered times for breaks and lunchtime and more rigorous hand washing and use of sanitiser.

I have had some good feedback from some of you about how things are working and hope now we have made it work for you all. A few things I would like your continued support with please:

- There has been such an improvement with parking – please avoid parking on the yellow line opposite the school. It is dangerous and we want everyone to stay safe.
- Please respect all those who have lined up before you and join the socially distanced line at the back.
- Please stand close to the fence so that people can pass you on the pavement and not have to walk in the road.

Lovely work from our whole school wellbeing project 'Here We Are'

Uniform

Such a good start to the year with smart uniforms and it's good to see them looking smart in their PE kits on PE days. It is now more important than ever that all uniform is labelled. We can not have a lost property box, so we must be able to reunite lost items to their rightful owner. Please also be advised that the children should now be bringing their school bags with them.
