

Confirmed case of COVID-19 in the school- Enfield Heights

1st December 2020

Dear Parent/Carer,

We have been advised by Public Health England that there is a confirmed case of COVID-19 within the school.
The confirmed case is an adult that works in Year 6.

As your child is in Year 6 and in the same bubble as the infected adult, in line with national guidance, your child must now **stay at home and self-isolate** until **Monday 14th December**. You must not bring them into school. Your last day of self-isolation is **Sunday 13th December**. Your first day back at school is **Monday 14th December**.
If your child is well at the end of the 14-day period of self-isolation, then they can return to usual activities, including school. Other members of your household can continue their normal activities provided your child does not develop symptoms within the 14-day self-isolation period.

Please see the link to the PHE Staying at Home Guidance. Read the guidance [here](#).

What to do if your child develops symptoms of COVID 19

If your child develops symptoms of COVID-19, they should remain at home for at least 10 days from the date when their symptoms appeared. All other household members who remain well must stay at home and not leave the house for 14 days.

The 14-day period starts from the day when the first person in the house became ill. Household members should not go to work, school or public areas. Household members staying at home for 14 days will greatly reduce the overall amount of infection that they can pass on to others in the community.

If you are able, isolate from vulnerable individuals (such as the elderly and those with underlying health conditions) living in your home, please do so during your isolation period.

Symptoms of COVID 19

The most common symptoms of coronavirus (COVID-19) are recent onset of:

- New continuous cough and/or
- High temperature
- Loss of, or change in, your normal sense of taste or smell (anosmia).

If your child or anyone in the household does develop symptoms, you can seek advice from NHS 111 [here](#).

Home Learning

The children will have access to online learning on DB Primary by Thursday 3rd December. In the meantime, please continue with reading, Mathletics and Timestable Rockstars and the CGP study books that you were provided with during the summer.

If you have any queries about this letter, please contact the school office.

Yours Sincerely
Jade-Simone Bacon
Headteacher
