

Thursday 17th June

Year 6 Fundraising event – Friday 25th June 2021

Dear parents / carers,

Year 6 will be holding a fundraising event on **Friday 25th June**. This is part of their Virgin Money “Make 5 Grow” enterprise project, where groups of children have been given £5 and they need to create a business idea in order to make as much money as possible. The proceeds will be split: part of the money will be donated to Water aid, as the children have been learning about countries that do not have clean, sanitised water. They will also be using some funds to help with their leavers’ celebrations.

The event will be run throughout the school day, with each class having 45 minutes to complete as many of the activities that they would like. The activities are as follows:

Slime sell: 50p for regular slime £1 for “fluffy” slime

Penalty shoot-out: £1 for 5 shots – prizes for all participants

Bottle flip challenge: £1 for 5 goes – prizes for all participants

Obstacle course: £1 to enter – prizes for all participants and a special prize for fastest

Cake decorating: £1

Children can participate in as many activities as they like. Please could your child choose which activities they would like to participate in and bring the correct money in an envelope with their name on it. Please could all money be given to your child’s teacher any time from **Monday 21st June**.

We thank you for your continued support.

Regards,

Mr Sullivan

Year 6 Class Teacher
