

Whole School Theme: Enfield		Learning Journey Map		Term: Autumn 2	Weeks: 7
Mapping curriculum content-knowledge and skills; creating cross curricular links; generating learning opportunities; composing the bigger picture					
Curriculum Principles					
Equality of Opportunity Raising pupil aspiration through inspiration, enjoyment and fulfilment; Access to academic excellence; Opportunity to enhance and develop skills/talent; Developing dedication and resilience	Enquiry Based Learning Creative thinkers; Real life challenge Risk taking; Resourcefulness; Enterprise; collaboration; Independent; Fostering and applying thinking skills	Force for positive change Linking our school virtues to all we do; all learning has a clear purpose and relevance to our lives and environment; children are inspired to have an impact on the world	Sustainability Emotional Intelligence; Love for learning and collaboration; Care for the environment and community; Fostering tolerance, understanding and empathy		
We will be designing and creating our own Greek pottery, using a variety of techniques and with the opportunity for children to explore their own designs.	Understanding speeches. Why they are necessary and how they are used to make an impact.	Speaking to the school community to persuade and encourage them to only use reusable water bottles.	Studying how others are trying to make a difference in the world more sustainable by starting with their community.		

YEAR 4 Title: Glorious Greeks		Science – States of matter <ul style="list-style-type: none"> To know there are 3 states of matter To understand the properties of solids, liquids and gases. To compare solids, liquids and gasses.
