

Enfield Heights Academy Fundraising Dance-a-thon

To Our Wonderful Families,

Enfield Heights Academy would like to continue our efforts helping those that have been affected in the devastating earthquake in Turkey and Syria. Although coverage on the television has become less, people are still in need of help.

Our children will be taking part in a 45min Sponsored Dance-a-thon on **Tuesday 14th March 2023** in our playground.

Please collect sponsorship from anyone, this could be families, friends, neighbours or local businesses, and give it to the school office or classroom staff by the **17th March**.

The form for the sponsorship will be given to the children in class.

Many thanks in advance for your continued support,

EHA Team
