We are the force for positive change.

28th March 2024

Dear parents and carers,

A very warm welcome to the last News Round Up of the Spring term. We have come to the end of another amazing term of fun and learning at Enfield Heights Academy.

Daffodil Breakfast for KS1- a great success!

Yesterday children from Year 1 and Year 2 had an amazing Daffodil Breakfast to celebrate the start of Spring. Our Hall transferred into EHA Restaurant; the tables were beautifully decorated with daffodils and set for a truly springlike experience. Parents helpers and teaching team turned into attentive waiting staff to help the children have the best time ever. Chatting to friends and munching on boiled eggs, honey and jam sandwiches was a true hit yet again. The children were super polite remembering about their table manners of 'please' and 'thank you'. Later on, during the day children made some beautiful daffodil paintings and recounts of the event. Thank you to the adults who helped with Daffodil Breakfast and made it a success again.

Welcome to Miss West

I am pleased to announce that Miss West secured a permanent position as a teaching assistant at EHA. She will be working with Mrs Ubor in year 2 after Easter as today is Miss Kumcur's last day. Miss West is familiar with the children and the school as she has been working as a learning support assistant from supply agency since April 2022.

Cake sale

Thank you for supporting the cake/books/cards sale - over £200 was raised for school resources, for which we are very grateful. Thank you to all the helpers and parents and carers who donated yummy treats!

'Community Meet Up'

It is always lovely to see parents/carers who attend our community meet ups once a month. The last session on financial awareness was super useful and informative. Please remember that you are all invited to come along to these sessions. They usually take place at GCM Community Church Hall opposite the school or our hall. These

Enfield Heights ACADEMY

sessions not only enable us to build stronger partnership and strengthen community cohesion but also are a great way to learn new things as we theme each one of them.

Next coffee morning will happen on the following dates:

Thursday 25th April - 'Speech and language' information session with EHA Salt therapist

Thursday 9th May - 'Recognising Behaviour as Communication' workshop run by Ben Hibberd from EASA

Thursday 20th June - Relaunch of Zones of Regulation for parents

Thursday 18th July - Summer Holiday wellness and casual catch up

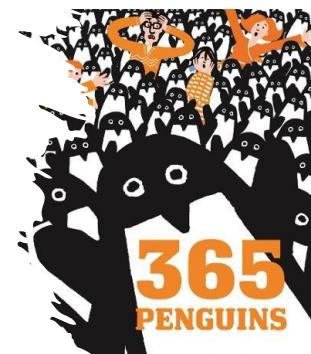

All the sessions will start at 9am so once you drop your child to school, please come to the Church Hall on 396-398 Hertford Road.

Please put these dates in your diaries as it would be great to see more people attending.

Maths through stories

After the break, on Tuesday 16th April, we will be having a day of maths celebrations. We will be focussing on a maths story book called '365 Penguins' and take part in a number of different numeracy activities throughout the day in order to reflect the maths within the story.

To really engage ourselves, we are asking for children to come to school dressed in maths inspired outfits. We understand that for some children (and parents), non-uniform days can cause unnecessary anxiety and stress so if wearing school uniform is preferred, please do so! Please see a letter from Mrs Ubor, our Maths lead [here](#).

Competition: Our planet vs Plastic

Today in my assembly, I spoke to the children about a new art competition 'Planet vs Plastic' and a chance to win a prize for most creative and thoughtful poster to raise awareness. Please see Google classroom to see details. It would be lovely to have lots of entries; please encourage your child to get creative over Spring time break.

As a school we will be celebrating Earth Day which is an annual celebration of planet earth on 22nd April.

In 2024, the theme is Planet vs. Plastics, aiming to spotlight the detrimental effects of plastics on our environment, both in our oceans and on land. Additionally, microplastics are posing a threat to our health.

Our Planet Competition: Planet vs Plastic

- Design a poster to raise awareness
- You can use any art materials and techniques (2D or 3D)
- Get creative and have fun
- Win a prize (KS1 winner and KS2 winner)

-All Our Planet Competition entries must be clearly labelled with your name and class and brought into the school by Friday 19th April (hand them to your teacher)

*Younger children may require some assistance from an adult, but the finished creation should be their own
