Tottenham Hotspur F.C Sport Sessions

Dear Parent/Carer,

We are excited to announce the launch of a special initiative in partnership with Tottenham Hotspur F.C.

Your child will have the opportunity to participate in some fun and engaging Sports Sessions led by Tottenham Hotspur F.C specialist coaches.

Each session will promote social skills, empathy, teamwork, Health & Fitness, and above all FUN.

These sessions will take place every **Wednesday** starting this week 17th April during Summer Term 1 and replace your child's current PE session that is on a Thursday.

Please note that your child will need to come to school in their PE kit on a **WEDNESDAY** not a **THURSDAY** for Summer Term 1.

Kind Regards,

Mr J Brown
