**Year 2 – Learning Journey**

Dear Parents/ Carers,

The children in Year 2 will be studying 'Reduce, Reuse, Recycle' as their Learning Journey topic this half-term. To support their learning, they will be using recycled materials and turning them into sculptures in Art and a blanket in Design and Technology.

In order for the children to make these items, we are requesting that each child bring in one piece of **clean, unwanted** clothing e.g a t-shirt and **clean, rinsed out** recycling item e.g milk bottles/cardboard boxes.

We will require these as soon as possible so please save any items and bring them in! Please be aware that you will not be receiving the unwanted clothing back as it will be used within the blanket.

Please come and speak to us, if you have any questions.  
Thank you for your continuous support.

Kind Regards,  
Mrs. Ubor
