

2<sup>nd</sup> July 2024

### **Transition to Year 6**

Dear Year 5 Parents and Carers,

We hope this letter finds you well. As the end of the academic year approaches, we would like to invite you to a special coffee afternoon organized by our **Community Outreach Team**. This coffee afternoon aims to provide you with valuable information regarding the transition of your child to Year 6.

**Date: Thursday 18th July 2024**

**Time: 2.15pm**

**Venue: School Hall**

Transitioning from Year 5 to Year 6 is an important milestone for our pupils. It brings with it new challenges, opportunities, and experiences that will shape your child's educational journey. We understand that this can be an exciting yet apprehensive time for both children and parents/carers alike. We want to ensure that you are well-informed and prepared for the upcoming transition.

During the meeting, our Trust Community Outreach Team will deliver an informative session, covering various aspects of the transition process. They will address common concerns, share insights, and provide helpful tips to ensure a smooth and successful transition for your child. This session will be interactive, allowing you to ask questions and gain a deeper understanding of the transition process.

We look forward to welcoming you on Thursday 18<sup>th</sup> July to discuss a successful transition for your child as they embark on the next chapter of their educational journey.

### **Future Coffee Mornings**

I would also like to invite all parents/carers to meet Year 6 team during our back-to-school events in September. **Year 6 Meet the Team** event will run on **Friday 13th September** at 9am-9.45am in the school hall. This meeting will provide an overview of the Year 6 curriculum, including subjects and any changes or new areas of focus compared to Year 5.

Key Milestones and Assessments: The teachers will be able to discuss assessments and national tests that Year 6 students will be expected to take; explain the significance of these assessments and how the school will support pupils in their preparation.

Support and Well-being: Emphasize the importance of emotional well-being and mental health support for Year 6 to help pupils manage any anxieties or concerns they may have about year 6.

Enrichment Opportunities: Residential Trip, workshops and projects, Saturday school, English and Maths Boosters.

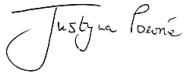

Changes in Expectations: Explain the increased responsibilities and expectations that come with being in Year 6: developing independence, organizational skills, and resilience to succeed in the final year of primary school.

There will be also Part 2 to this meeting where you will be able to find out about Transition to **Secondary School** (9.45am-10.30am).

If you have any immediate questions or concerns, please do not hesitate to contact us at the office.  
Thank you for your continued support.

**We look forward to seeing you on Thursday 18<sup>th</sup> July at 2.15pm in the school hall.**

Yours sincerely,
