

8th July 2024

Year 2 – A Pirate's Life for Me

Dear Parents/ Carers,

The children in Year 2 are currently studying different areas of the world in Geography. In order to support their learning about Tobago, we would like the children to come into school on **Thursday 18th July 2024** dressed in clothes they would wear in a hot country/ in the summer. If possible, please also send your child in with **a beach towel**. Please see examples below:

In the event that the weather forecast predicts rain, the children will still need to have appropriate clothing with them but could perhaps bring some accessories with them (sunglasses, sunhat, beach bag, etc).

We would like the children to experience a variety of food dishes. Please speak to Mrs Ubor or Miss West if you are able to make any food donations.

If you have any questions, please let us know.

Thank you,

Mrs. Ubor
