**Year 4 – Local walk**

Dear Parents/ Carers,

This half term, the children in Year 4 will be learning about trade as part of their learning journey: Where does my food come from?

In their Geography lesson, children will be exploring different foods and their origins. How the food has been transported to the UK, the effects on the environment and what types of food are produced in the UK. To support their learning, the children will plan a local walk, on which they will identify the local shops and restaurants selling food.
