Times Table Rockstars -Great Launch!

Dear parents/carers,

We're thrilled to announce our upcoming event: **Times Tables Rockstars Day!** Get ready to unleash your child's inner rockstar.

On **Tuesday 5th November**, we invite **all** children and staff to come to school dressed as their favourite rockstar. Think glitter, sunglasses, outrageous outfits – the more outrageous, the better! It's a day to let their inner rockstar shine.

From the **4th-8th November** we are encouraging all children in **Y2-Y6** to log onto Times Tables Rockstars and compete our school competition. As your child engages in fun and interactive times tables activities online, they'll not only sharpen their mathematical skills but also contribute to their own individual score and their class score. **Reception and Y1** parents please encourage your little ones to log in **to Numbots** to practise their number skills. It's a fun way for them to build confidence in maths while playing games.

The challenge is on! The class that rocks the hardest and earns the highest score will be crowned the champions on Monday 11th November during an exciting assembly. But that's not all – there will also be individual certificates for outstanding performers in each year group and a best dressed rockstar for each class.

We encourage you to support your child by ensuring they have access to Times Tables Rockstars/ Numbots at home and by cheering them on as they aim for greatness. Let's make this Times Tables Rockstars Day, one to remember!

Many thanks,

Karolina Ubor
Maths Lead
