

Tuesday 26th March 2025

Dear parent/carers,

I am pleased to announce that on **Wednesday 23rd April**, we will be holding our second **Hispanic Culture Day** at Enfield Heights Academy, where we celebrate the language and culture of Spain and other Spanish-speaking countries.

On this day, our children will enjoy a range of class-based and out-of-class activities to mark the occasion. Traditional dance, cultural food sessions and craft activities such as making maracas, piñatas and mosaics will be on offer.

Children **will not wear uniform** on this day: instead, we are asking them to come in wearing the **flag colours** of one of the Spanish-speaking countries. They are as follows:

	Theme country/colours	
Reception:	Spain – red and yellow	
Year 1:	Equatorial Guinea – green, white, red and blue	
Year 2:	Bolivia – red, yellow and green	
Year 3:	Mexico – red, white and green	
Year 4:	Peru – red and white	
Year 5:	Costa Rica – blue, white and red	
Year 6:	Chile – blue, white and red	

There will be a **special Spanish-inspired menu** on the day prepared by our cooks.

Every class will also take part in a **Cuban percussion workshop on Tuesday 22nd April** as part of the celebrations.

We hope that this year's Hispanic Culture Day will be fun and enriching for all our pupils.

Please get in touch if you have any questions.

Kind regards,

Ms. Ferrandes (Spanish teacher) & Mr. Merritt-Hall (Primary Music & Languages lead)
