

Tuesday 22nd April 2025

Enfield
Heights
ACADEMY

Dear parents and carers,

As Year 6 have studied WWII this term, on **Thursday 8th of May**, we will be celebrating V.E Day (Victory in Europe Day). This day marks 80 years since the Allied Victory in Europe during World War 2 in 1945.

To commemorate this occasion, children are encouraged to come to school in clothing that would have been worn by children at the time (see image below).

In the afternoon, we will be taking part in a variety of celebratory activities, including trifle making and creating Union Jack bunting.

Children will have lunch at school as normal and will finish school at the usual time.

If you have any questions about the day, please contact the year 6 team.

Many thanks,

Mr Currie
