

# Enfield Heights Academy Learning Web: Year 5 Summer 1

## An African Kingdom: Ancient Benin

### Force for positive change:

Display of past and present Enfield – to encourage visitors to appreciate the modern-day structure of the borough.

### Key Dates:

22.04.25 – Cuban Percussion Workshops

23.04.25 – Hispanic culture Day

### Maths

#### Place value

- Round any number up to 1 000 000 to the nearest 10,100,1000, 10 000 and 100 000
- Read Roman numerals to 1000 (M) and recognise years written in Roman numerals.

#### Multiplication and division

- Identify multiples and factors, including finding all factor pairs of a number, and common factors of two numbers.
- Recognise and use square numbers and cube numbers, and the notation for squared (2) and cubed (3).

#### Multiplication and division

- Multiply numbers up to 4 digits by a one- or two-digit number using short and long multiplication
- Divide numbers up to 4 digits using short division and interpret remainders appropriately for the context
- Multiply and divide whole numbers and those involving decimals by 10, 100 and 1000

#### Area and perimeter/ Conversion/ Measurement

- Convert between different units of metric measure
- Measure and calculate the perimeter of composite rectilinear shapes in cm/m
- Calculate and compare the area of rectangles (including squares)

#### Geometry

- Draw given angles and measure them in degrees
- Use the properties of rectangles to deduce related facts and find missing lengths and angles.
- Distinguish between regular and irregular polygons based on reasoning about equal sides and angles.

### English

#### Writing a story with a flashback

Pupils will immerse themselves in the story Cosmic by Frank Cottrell Boyce and explore themes of honesty, deception, friendship, dishonesty, and trust etc. They will use adjectives and expanded noun phrase and adverbs to create character and setting descriptions

#### Grammatical/skills objectives

- relative clauses, parenthesis, modal verbs
- Sentence structure: expanded noun phrases, prepositional phrases
- Descriptive language: adjectives, adverbs, similes, metaphors.

#### Writing an alternative perspective

Pupils will use the same stimulus text Cosmic to explore several different setting and characters in order to produce an alternative ending to the story.

#### Grammatical/skills objectives

- relative clauses, parenthesis, modal verbs
- Sentence structure: expanded noun phrases, prepositional phrases
- Descriptive language: adjectives, adverbs, similes, metaphors.

### Music

This half term the children will develop an understanding of the history of music. They discuss a celebrated orchestral piece, exploring rhythms and melodies of a well-known composer. The children will then create musical motifs inspired by Earth and develop their musical terminology and notation.

### History

#### An African Kingdom: Ancient Benin Empire

The children will explore the Ancient Kingdom of Benin and develop their skills in researching, map reading, observing and concluding while pouring through primary and secondary sources. They will discuss the following enquiry questions: *How was life in Benin Kingdom different to life in England? Why did the British invade Benin Kingdom? What effect did the slave trade have on Benin and West Africa?*

### PHSE: Relationships

Children will learn about their different relationships by developing an accurate picture of themselves as a person in terms of their characteristics and personal qualities. They will also explore how belonging to an online community can have positive and negative consequences. They will develop an awareness of how they should behave online as well as having the knowledge of their rights in an online space.

### Physical Education

#### PE –Outdoor – Athletics

To practise and refine fundamental movement skills and techniques needed for athletics and throwing. Children will also learn how to work as a team to compete in activities such as relay races.

#### PE- Indoor – Dodgeball

Children will learn how to apply attacking and defensive tactics, understand the importance of transitioning from defence to attack and consolidate their knowledge of the rules of dodgeball.

### Spanish

The children will recognise and locate Spanish speaking countries around the world. They will then focus on Colombia, identifying facts and different aspects of their culture. Finally, pupils will study specific Colombian festivals and traditions.

### R.E: Islam

Children will explain some key beliefs in Islam and begin to explore different ways Muslims have put their beliefs into practice. They will explore how commitment to Allah, the Quran, the afterlife and their impact on the beliefs, interactions and outlook on life of Muslim's

### Geography Opportunity

To children will name the four seasons and describe some characteristics, identifying and recording the weather in the different seasons. They will then apply this to their prior knowledge of location to the equator to describe weather conditions.

### Science: Healthy bodies

Following on from the lifecycles work the children did last term, this term the children will learn about human lifecycle. They will look at how the body changes from babies, through puberty, where a child's body changes and develops primary and secondary sexual characteristics, into adult. The children will also have the exciting opportunity to take part in the Enfield STEM project.
