

5TH November 2025

Dear Year 4 Parents and Carers,

This half term year 4 pupils are lucky to be enjoying four **Spoken Word** workshops across November. Our first session took place yesterday and the children absolutely loved it!

This project is delivered by **'Write2Speak'**. Tyler delivered the first session with masses of energy and enthusiasm which already inspired and built confidence in the children, encouraging them to express themselves verbally and engage with their peers.

Some lucky children will be invited to perform their own Spoken Word piece at The Dugdale Arts Centre on the evening of Tuesday 2nd December. Selected children will receive a letter to bring home during the week commencing 17th November with full details if they are selected.

You all also will be able to celebrate children's Write2Speak outcomes in the **Year 4 Class Assembly** on **Thursday 4th December at 9am** in the school hall.

This project is possible thanks to our school's membership with Enfield Town Schools' Partnership (ETSP).

If you have any questions, please contact Mrs Ubor.

Kind Regards,

Justyna Powrie
Headteacher
