

At Enfield Heights Academy, we are KIND, RESPECTFUL, RESILIENT and BRAVE.

We are the Force for Positive Change.

23rd March 2026

Dear Families,

I am writing to share some important news with you.

I have been successful in securing the role of Headteacher of Worcesters Primary School and I will take up this post on 1st September 2026.

While I am excited about my professional progression and a new challenge of leading a much larger school, it is incredibly difficult to say that this means I will be leaving Enfield Heights Academy at the end of this academic year.

This has not been an easy decision. **Enfield Heights Academy holds a very special place in my heart**; I truly love our school and everything it represents. I love my job- it is like being a part of a family and the welcoming and inclusive nature of our school has made coming to work every day meaningful and extremely rewarding for the last 3 and a half years.

I am SUPER proud, as the Headteacher of Enfield Heights Academy, to have watched the school develop and grow into an outstanding school that continues to put the achievement and well-being of all the children at the centre of our work. It has been an immense privilege to work alongside such wonderful children, dedicated and talented staff, governors, central teams and a supportive community. Everybody's enthusiasm, kindness, and spirit are what make EHA such a special community, and I will miss everyone greatly. I shall deeply miss our daily moments of joy, growth, and connection that make this school so unique.

However, I feel ready to take on a new challenge and continue to grow as a school leader to help more children be the best they can be; to inspire them to belong, thrive and achieve. I also feel that this is the right moment as Enfield Heights Academy has flourished and is now in a very strong and stable position with great teachers and leaders who are driving forward school improvement.

With many accolades and awards received, including the most recent commendation from Secretary of States, Bridget Phillipson, recognising the exceptional academic outcomes we secured for our pupils, particularly those from disadvantaged backgrounds at the end of the 2024/25 academic, Enfield Heights Academy is in 1% of best achieving schools in the country; also chosen by The Sunday Times to feature in the top 1000 schools in Parent Power. I am immensely proud. Children are happy, safe and love learning!

Enfield Heights ACADEMY

I am incredibly proud to see the school going from strength to strength. I know that Enfield Heights Academy is now truly self-improving, with strong foundations and values in place to sustain its continued success. Knowing that the school is thriving makes this transition a little easier and I know that the future is bright for all the children at Enfield Heights.

This afternoon, I have spoken to the children in our Achievement assembly and shared this news with them. I know this may feel unsettling, and I would really appreciate your support in reassuring them that this change is not imminent—we have the whole of the summer term still together, with much to look forward to. I will keep reassuring the children myself too and preparing them for the change so that they remain focused and happy.

The Trust will begin the process of appointing a new Headteacher in due course, and I am fully committed to ensuring a thorough and supportive handover once they are in place, so that the school continues to go from strength to strength. The new Headteacher for EHA will start on 1st September 2026.

Thank you for your trust, your support, and for allowing me to be part of your children's journeys. It has been an absolute honour to serve this community, and I will carry many fond memories with me. Please come and talk to me at the gate and in the playground if you have any questions. I shall carry tissues in my pocket as this is a very emotional time for me.

For now, let us have lots of fun at the spring/summer events and support the children to have the best learning experiences. I am fully committed to ensure the rest of this academic year is the best it can be as usual! I will continue with my fortnightly communication and everything that has been planned for this year.

I look forward to making the most of the time we have left together over the coming months.

With my warmest wishes,

Headteacher
