Help Us Raise Funds for Our School!

We're excited to once again partner with Castles Estate Agents for our upcoming Summer Fete fundraising campaign—and we'd love your support!

Last Christmas, thanks to your help, we raised over £530 by displaying 53 boards in the local area, with £10 donated for each board. This time, we're aiming even higher, with a target of 60–75 boards to maximise our fundraising efforts.

This is one of the simplest ways to make a real difference. The funds raised will go directly towards enhancing school projects and providing new resources for the children.

Castles Estate Agents will cover all costs, including printing, installation, and removal of the boards. The company they use is fully professional and insured. Boards are carefully installed—either placed securely into soft ground or attached to a gatepost—and no drilling into your property is required. They'll typically be displayed 3–4 weeks before the fete and removed about a week afterwards.

By taking part, you'll be helping to raise valuable funds while also strengthening our local community connections.

If you're able to host a board, we'd be incredibly grateful!

Thank you for your continued support
