Dear Parents and Carers,

Re: Temporary changes -teaching assistant

Our fantastic Teaching Assistant, Mr Hollas, who is also an early career actor and writer outside of school and has been carrying out his creative work alongside his role at EHA, has been offered an incredible opportunity to further his acting career by performing in a sketch show.

We are very proud of him and feel inspired. Mr Hollas is a great role model for the children and, although we will miss him for 3 days a week for 7 weeks while he is acting, we know that he will continue sharing his talent with all of us at Heights. He remains committed and passionate as TA for Year 4 at Enfield Heights.

For his days out, mainly Tuesdays, Wednesdays and Thursdays, we have secured 2 days of external supply cover and one day internal cover with Miss Tintas who have been working with Year 4 children already.

Mr Hollas will be back to his full time EHA schedule w/c 29th June.

Please do not hesitate to speak to me if you have any further questions.

Thank you for your continued support.

Best Wishes,

Justyna Powrie
