English

Reading:
 In whole class reading, children, will be exploring a variety of text types designed to capture their interest and develop their comprehension ability.

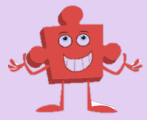

Writing:
Fiction: Children will innovate the three little pigs' story by introducing a new character and a house.
Non-Fiction: Children will write a letter of apology on behalf of the wolf to the three little pigs.
 Children will write a letter to their new class teacher in response to a letter to them by their Year 2 teacher.

Music
 This term, the children will be exploring traditional music from England, Ireland and Scotland. They will learn about folk music.

PHSE: Changing me
 Children will be learning about how their body has changed since they were born and the names of the different girls and boys body parts.

Physical Education

PE –Outdoor – creating games
 Children will observe their peers and play games. They will then create their own game to play with their peers.

PE- Indoor – circuits
 Children will be learning about how to improve fitness through exercising. Children will explore the word stamina and different ways to improve their stamina.

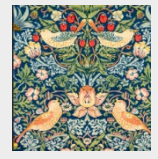

Spanish

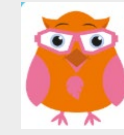

This term, the children will be identifying items of clothing in Spanish and identifying the different types of weather.

Art: William Morris
 Prints: children will take inspiration from William Morris exploring and then designing their own prints.

RE: Islam
 The children will be learning about how to show respect and considering some of the attributes that Muslims believe Allah has. They will also explore the 99 names of Allah and explore the ways Muslims show respect to Allah in their daily lives.

DT
 We will be studying freestanding structures and exploring tools and materials to design a house for George. We will then evaluate our structures and decide if it was fit for purpose or not.

History
 Learning opportunity to recall a significant event that have happened in Year 1 and to recall the Great Fire of London.

Geography
 Children will learn about their local area and identify Enfield is in London and London is in the United Kingdom. They will use maps to identify where they live and explore the difference between rural and city areas.

Science: Plants and Seasons
 This term children will be recapping their learning about plants and seasons. They will be planting more crops and observing their growth over time. They will look at how daylight hours vary across seasons.
