Year 4 visit to Portrait Gallery

Dear Parents/Carers,

This half term, the children will have an exciting opportunity to visit the National Portrait Gallery for a fun and educational day out! This trip will support their learning by allowing them to explore a range of famous portraits, artists and significant historical figures.

As part of their Geography topic, the children have also been learning about London, so this visit will help them make real-world connections to the landmarks, culture and layout of the city they have studied. The visit will also enrich their understanding of art, history and storytelling through portraiture, bringing classroom learning to life in a meaningful and engaging way.

We're also using this trip as a celebration of all the children's hard work this year — a chance for them to enjoy a special day out together.
