Year 5 – ETSP STEM Fair

Tuesday 7th July

Dear Parents/ Carers,

As part of the exciting STEM project Year 5 have participated in this half term, your child has been selected to share their learning in a science fair led by Enfield Town Schools Partnership.

At the fair, the children will be showcasing their 'Change and Adapt' inspired projects that they have been working really hard on in class. Your child, along with the 14 other selected children, will be presenting their innovative projects in groups of 3 and STEM ambassadors from the Borough will judge and award certificates and prizes to the top 3 projects in Enfield.

This is a thrilling opportunity for the children to experience and showcase their science knowledge and learning.

As the event starts at 9am and we are travelling by mini-bus, we ask that they **arrive promptly at school for 8:05am** so we can leave school at 8:15am.

We aim to return to school for 15:30.

Details of the event are as follows-

- Date:** Tuesday 7th July
- Time:** Leave school at 8.15. Return at 15:30
- Travel:** Minibus
- Place:** Chace Community School
- Cost:** Free.
- Lunch:** Children will need to bring a packed lunch (no nuts or fizzy drinks please). **Should your child require a school packed lunch, please let the office or class team know.**

Full school uniform must be worn.

Please give your consent on Arbor by Thursday 25th June if you wish your child to attend. Should your child not wish to attend, we will offer their place to another child.

Yours sincerely,

Miss McKenzie
