Year 1 – Albany Park

Dear Parents/ Carers,

This half term, the children in Year 1 will be learning about Plants.

In their science lessons, the children will begin to identify different plants, observe their features, and classify trees as either deciduous or evergreen. As young scientists and plant experts, the children will have the opportunity to visit Albany Park for an afternoon of plant hunting, where they will explore, observe, and identify a variety of plants and trees in their natural environment.

Details are as follows-

Date: Friday 10th July

Time: 12.45-1.45pm

Place: Albany Park

Travel: Walking

Cost: Free

Lunch: Children will have lunch at school as normal

Full school uniform must be worn. Please ensure your child wears comfortable footwear, as they will be walking around the park during the plant hunt. As we will be outside, please make sure your child comes to school wearing suitable clothing for the weather, as conditions may change. Children will be back to school before pick time.

Thank you.

Yours sincerely,
Ms Khalif
