A little more about Fusion...Fusion Activity Clubs mission is to provide high-quality, engaging, and inclusive sports sessions that inspire children to stay active, build confidence, develop new skills, and most importantly, have fun.

Fusion Activity Clubs was founded by Mr Brown, who will personally oversee and manage the sports club programme across the North Star Community Trust. He will be supported by a team of dedicated Fusion coaches, all of whom have been personally trained by Mr Brown to deliver engaging, high-quality sessions that reflect the values and standards of Fusion Activity Clubs.

We are incredibly excited to begin this new partnership and look forward to welcoming your children to the clubs in September.

New Booking System from September for Fusion Sports Clubs.

From **September**, the way you book your child's after-school sports clubs will be changing for clubs delivered by Fusion. To book a place for a club provided by EHA you do this via Arbor, however to book a Fusion club, you will first need to **register your child using the link below**.

<https://fusionactivityclubs.magicbooking.co.uk/>

Simply follow the on-screen instructions to create your account and add your child's details. Once your registration is complete, you will be able to view and book all the activities available for your child's year group.

The booking system will also allow you to manage your bookings, make payments, and receive important updates about your child's clubs.

We recommend completing your registration as soon as possible to ensure you are ready to book when the sports clubs become available.

If you experience any difficulties during the registration process, please don't hesitate to get in touch via email at contact@fusionactivityclubs.com. They will be happy to help.

Regards,
Mrs Stella Gannon
