A Huge Thank You – Together, We Are a Force for Positive Change! 🌟

Dear Parents and Carers,

WOW! What an incredible day! I want to say a HUGE thank you to each and every one of you for your overwhelming kindness and generosity. Today, we really have shown what it means to be a **"Force for Positive Change!"**

We were delighted to welcome **Kumar, a representative from APAP (All People All Places)**, into school today. He spoke to our children about how their generous donations will make a real difference to local people experiencing homelessness, sleeping rough or facing housing difficulties.

It was a wonderful opportunity for our children to understand the importance of kindness, compassion and helping others in our community.

As you can see from the photograph, our children were absolutely beaming with pride! They could see that their actions, however big or small, really can change lives. They truly are a **Force for Positive Change**, and I couldn't be prouder of them!

If you would like to find out more about the fantastic work APAP does to support people in our local community, please visit their website:

https://allpeopleallplaces.org/

Once again, **thank you from the bottom of my heart** for your incredible generosity and support. You have not only helped people in need but also shown our children the power of coming together as a community to make a real difference.
